

Meet Mrs. Cecil

The Basics

My name is Mrs. Katie Cecil. I will be your child's first grade teacher for the 2022 - 2023 school year! This will be my 12th year teaching and my second year as an instructional coach. I am looking forward to experiencing all of the fun and exciting learning that happens in first grade with your child. I believe parent/teacher communication is the key to a successful year, so I look forward to working with you and your child to make this the best year yet!

My Family

My husband Jeremy and I have been married for 21 years. We live in Glen Carbon with our 3 children: 19 year old daughter, Emily, 16 year old son, Lucas, and 14 year old daughter, Lauren. Our family has very little free time as we are always busy with our kids' activities, but when we do get the chance, we enjoy traveling, watching movies, and having family game nights together!

My Education

In 2001 I earned my Bachelor of Science in Elementary Education from Southern Illinois University Edwardsville and my master's degree in education in 2008.
